The housing needs of our jurisdiction, as indicated by our Waiting Lists for Public Housing and Section 8, show a majority of applicants as Families with children in the Very Low Income and Extremely Low Income ranges. We also have a number of Disabled and Elderly applicants who have admission preference. The Capital Fund Programs are providing necessary funds for Public Housing to convert units for Handicapped applicants. As always, we strive to provide adequate housing for all applicants as quickly as possible.

A. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA's waiting list/s. Complete one table for each type of PHA-wide waiting list administered by the PHA. PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

B Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's Public Housing and Section 8 Waiting Lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Advertising Section 8 and Public Housing county-wide will be a major strategy to inform prospective applicants with housing needs as well as prospective landlords who have available housing for Lease in the Section 8 Program.

During the upcoming year we will continue to modernize 60 Public Housing units in Geneva making them more adequate and more energy efficient. Air conditioning, security windows, screens, storm doors, better outside lighting, and a security fence are new features which will provide a healthier, safer and more secure environment in which to live. These improved, enhancing features will make our Public Housing much more appealing to prospective applicants who cannot afford to rent in the private sector.

In order to provide for the growing need for handicapped accessible units for our disabled residents and

	List applicants, we will be converting three units in Geneva—one unit in each site—Bryant Avenue, w Street, and Riverside Homes, which will make our PHA compliant with Section 504 requirements.
